Another from Franklin Mint, this one a 1939 Peterbilt 334 with Reliance stake bed in 32nd scale. In 1989, Peterbilt restored a 1939 Peterbilt to original shape for a 50th anniversary promotional tour. Peterbilts restoration was red and white, Franklin Mint released both versions, this red and black one, and a couple years later released the 50th anniversary version. Real wood slats on the bed, real wood interior panels on the walls, roof and doors, and dash.
