

Johnny Lightning Returns ?

Posted by Dinkydi - 13 Oct 2015 18:38

I understand that Johnny Lightning has been sold as a brand by Tomy to Auto World.

The first release series for 2016 includes.....

1965 Buick Riviera

1972 Ford Maverick

1975 VW Convertible

1981 Jeep Wagoneer

1976 Ford Fairlane 500 XL

1965 Pontiac 2+2

Auto World have in the past produced good models so we can only hope that the quality continues
