

Trade?

Posted by Keesie - 09 Feb 2018 05:25

No idea if this allowed, so if not, moderator, please take it away. Not even a clue in what category I can place this.

One of my neighbours brought me these yesterday. As I do not have any interest in them, I like to pass them on, maybe trade them. I will not send them, but could bring them to Houten next time.
