And of course we can't forget the newest feature on our cars today. From Mercedes.

It just has to be complicated doesn't it?? or does it really!

Put https:// in front of the lines below. Then paste it into your browser. should work.  
youtu.be/0LP-0RaNMqo

youtu.be/Hj1ZkwnZRzI

youtu.be/296E57CxNw4

They are now in reverse order from above.
