

## Question on matchbox #32 leyland aral tank truck

Posted by Nobleco - 18 May 2020 23:23

---

If someone has this Matchbox toy can they measure the diameter of the tire in MM please? Much appreciated in advance.

---

Should be 11.5mm

Rollerman.

---

Thanks Kevin for letting me know. I have 11mm and 12mm but SF does not make 11.5mm so I go with the 11mm fine tread tires.

You have been a great help.

Cheers.

Theo, thanks for looking the truck up, Maybe you can confirm the size?

Kevin is spot-on,  
no it was Matchbox.
