And I bought these 3. First a Routemaster by Corgi, which is part of a set of 4.

Corgi 97066 Routemasters in Exile, AEC Routemaster set

And then 2 Matchbox cars, the Mr. Bean Mini and a nice looking Mercedes Benz S13 wagon

Very nice and also nice to hear your shops are open. We are still having problems with restaurants and bars. Bars are closed and Restaurants as Half capacity. Gyms are closed too. Up here in the Kootenay, Boundary District of the Interior Health region, only the Theater in Grand Forks is closed but Restaurants are allowed Half capacity and also have street tables. All else is open for shopping including the the Dollar Store with lousy selections of toys.
