

Helicopter

Posted by Scruffyhippo - 25 Dec 2011 07:53

well, have to love my other half, she knows what I like and I have ended up with this fantastic RC helicopter for christmas 😊

best part of 2 foot long

Now on charge for 3 hours so will be on training flight this afternoon 😊

That is big one make sure it don't pick you up. I had a bit of a go at one of those little ones only 8 inches or smaller. Ahhh I crashed it but it still works.
