

## maserati 3.5 No139

Posted by tomte2007 - 02 Aug 2012 16:19

---

not one of my normal buys but it cheap so ill sell it on again and put the money to something else. does any know if the decal are original or not, not sure what it says on the top line but underneath it says auto club

=====

I would think there would be something on the box showing the decals. They are probably add ons someone did to it at one time. Maybe an auto club decal. Looks familiar and is the badge for Hwy signs some places in the USA
