

Brad Bristol Raced-Win

Came today. RCCA Elite #8. One of the better raced-win diecasts in terms of markings and confetti. The side mirror and secondary antenna are new nice touches. Can't wait for the Rusty tribute! I am not holding out hope for the remaining BK win diecasts. My guess is they will DNP.

**I received an email from an Action dealer friend of mine... Brad's Chicagoland raced-win diecast?
☐ Cancelled. ☐ Pffft. ☐ Lame, but unfortunately predictable.**
